

Flip For Me Days

When the Clark County School District has days off, Flip For Me loves to invite all children ages 5 and up to come hang out with us for the day! Our qualified staff supervises kids from 9:00 AM – 1:00 PM with all sorts of fun. Kids love to play during open gym time where they can work on whatever skills they want, take part in games and activities with their peers, and create fun arts and crafts after lunch time. Early and late care is available as well. Check out the days school is out below and give us a call so you can reserve your spot this fall! 702.202.0020
