Missed Class policy – Recreational Classes only (Term tuition)

- Tuition at Flip For Me is structured similarly to college tuition; it is paid in full to reserve a spot in class **regardless of attendance**. Flip For Me does offer make-ups as a courtesy to our members when doing so does not threaten the safety and design of the class. With that being said our make-up policy varies from class to class depending on which program you are enrolled in.
- Please keep in mind that make-ups are a privilege. Flip For Me reserves the right to refuse any make-up if we believe it will disrupt or in any way affect the safety of the children who are paid and registered for that specific class.
- Flip For Me does request a minimum of **1 hour notice prior to the start of the missed class** to request for a make-up class. Missed classes without prior notice are not eligible for make-up. Request for make-up has to be in writing (by email or noted by office on parent's call to daily list of make-ups.
- Make-ups should not replace all assigned classes and it should be limited to **2 MAKE-UP classes per Term** and are required to be made up within **THE SAME TERM**. If you are not able to attend the last week of a Term you are required to call ahead and receive approval to attend make-up in the following Term.
- Check "Flip For Me Calendar" for closed days on a Public Holiday. You may schedule make-up class in advance of the holiday if within **THE SAME TERM**.
