

Update on 7/16/2020

Dear Flip For Me Family,

Thank you so much for coming back and letting us teach your children gymnastics and ninja skills. We appreciate your support very much. As businesses in the valley are starting to close down again due to the rise of COVID-19, we are doing everything we can to keep our staff and athletes safe and healthy. But... we need your help. Help us help you.

We need to reinforce some guidelines:

- Drop off/pick up is encouraged. No more than 1 adult per family in the building.
- Masks must be worn in the waiting area/lobby.
- Lobby upstairs and downstairs will have limited seating.

There will be separate entrances and exits to control distancing and traffic flow. Entrance will only be allowed in the front of the building. To exit, follow the arrows to leave towards the exit in front of the stairs. If possible, parents should wait outside in the car for their athletes leaving the gym. Athletes will put their extra items in the cubicles towards the left side of the building. They will exit class at the door near the cubicles, pick up their things, and walk straight towards the exit. Please do not walk back to the front desk/main lobby. Loop around and come through the front entrance if necessary.

Dear Flip For Me families,

We are so excited to share with you that we will now be opening classes for Tumble Buddy 2's and 3-All-Me.

Please do not bring siblings or friends not participating at that time in class inside the lobby/viewing room other. If you have no other choice, please be prepared to have another family member to stay/watch them (preferable outside or in the car) till the end of your class. We apologize for this inconvenience and ask for your support in helping us maintain CDC guidelines for social distancing.

"Father's Day" evening out on Saturday, June 20th from 6:00pm till 8:00pm, please call to sign up! More info available on our website under activities/camp webpage.

We hope to soon be able to open Baby Bees and all other activities. Thank you all for your feedback in the survey we sent out. Your child's safety is still our number one priority. If for any reason you do not feel comfortable returning to class yet, please let us know and we will continue to hold your credit for when you feel safe to return.

Updated on 4/1/2020

Flip For Me extends the business closure till April 30th, 2020 as per state and CCSD guidelines.

Dear Flip For Me Families,

As Nevada continues to put precautions in place, we want to be able to be a part of the solution to eliminate the spread of CoVid19. As a result, it is with profound sorrow that we announce that we too will be following suit and will be suspending our classes for the health and safety of our children, families, and staff. This decision was not made lightly nor without full consideration.

We will be suspending all classes until further notice, effective Sunday, March 15th. We will be diligent with staying informed with updates from our state health officials and will reach out when we can welcome kids back to classes.

Please see below for more information. Thank you for your understanding during this time, and please stay healthy and safe.

Thank you,

Adrian and Mariana Manta
